Sir:

REQUEST FOR CERTIFICATE OF CORRECTION

Pursuant to 35 U.S.C. § 255, and 37 C.F.R. § 1.323, Patentees present this request for a Certificate of Correction in the above-identified patent. The mistake identified in the appended Form PTO-1050 is of a typographical nature, and of minor character, which resulted from an error made in good faith by Patentees. During prosecution, the Patentees inadvertently used the word "supply" instead of "supplying" in the fourth line of original claim 18, which issued as claim 3. Patentees believe that the requested correction, which merely reconciles the language of issued claim 3, neither constitutes new matter nor would require reexamination of the patent.
